

WOMS WARRIOR NEWSLETTER

WOW Registration

August 5, 8:30-4:00

If you have access and can do so, please have your parent/guardian go ahead and register online through the link that was sent to their email on July 22. During WOW Day, you will pick up your class schedule, get instructions on how to set up their parent portal account, pay your Chromebook fee, receive field trip information, and learn about other exciting things going on at West-Oak Middle. The West-Oak Bus Office will also be here so you can find out what bus your student will ride and what time they need to be ready each morning. You will also receive information about an opportunity for parents to get involved with our School Improvement Council this school year. You will need to enter the building through the side door of the media center. Signs and volunteers will help you and your family through the registration process.
